WHK HISTORY

W.H. KASSNER, INC. WAS FOUNDED IN 1961 BY WOLFGANG HUGO KASSNER. AFTER GRADUATING FROM COOPER UNION, WOLF WORKED FOR A RAILING SALES COMPANY, BUT STARTED A SHOP TO MAKE REQUIRED FIELD MODIFICATIONS. SOON WOLF'S SON ERIC KASSNER, AND SON-IN-LAW, TOM PETRO, JOINED THE TEAM. FROM THE 1980s TO THE LATE 2000s, ERIC AND TOM CARVED OUT A NICHE AS A SPECIALTY MISCELLANEOUS METAL SUBCONTRACTOR IN THE PHARMACEUTICAL AND PRIVATE DEVELOPMENT INDUSTRIES.

SINCE 2010, UNDER THE LEADERSHIP OF TWIN SIBLINGS ELLIE KASSNER AND DIRK KASSNER, THE THIRD-GENERATION BUSINESS RETURNED TO PUBLIC WORKS PROJECTS, SPECIALIZING IN WASTEWATER AND WATER TREATMENT PLANTS.

OWNERS

ELLIE KASSNER

BEFORE TAKING OVER THE BUSINESS, ELLIE CLIMBED THE ROPES, WORKING IN THE SHOP AND FIELD. AS PRESIDENT, SHE BRINGS THAT UNDERSTANDING TO EACH PROJECT. WITH HER STRONG ATTENTION TO DETAIL, SHE RUNS CAPITAL PROJECTS FROM THE ESTIMATING THROUGH TO COMPLETION. UNDER HER LEADERSHIP, WHK IS A CERTIFIED WBE AND DBE.

DIRK KASSNER

DIRK ALSO GREW UP AROUND THE SHOP, AND MANAGES WORKFLOW OPERATIONS. HIS NATURAL TALENT FOR SHOP DRAWINGS ALLOWS WHK TO PRODUCE SUBMITTALS IN HOUSE. FROM THERE, HE OVERSEES FABRICATION AND INSTALLATION. AS A PROJECT MANAGER, HE RUNS JOBS ON-SITE SAFELY AND EFFICIENTLY.
